Summary of Activities:

The LRC was active this year in reviewing both review files and recommendation files. While the number of review files was not large relative to other years, the number of hires and the requisite recommendation files presented to the LRC provided a welcomed sign that the
Libraries were again hiring professional librarians. There was no specific LRC activity related to the supplemental charges.

In 2011-2012 the LRC:

A. Reviewed and submitted all review files in a timely manner. Eight reviews were completed.
B. Reviewed and submitted all librarian recommendation files in a timely manner. Eight recommendations were completed.

Recommendations for the Future:

A. Pursue the possibility of making electronic versions of review files available for LRC.
B. Continue to encourage librarians and their supervisors to regularly evaluate their performance throughout the review cycle, in accordance with annual plans.
