Brief Statement of Goals:

One of the primary duties of the Members at Large is to represent LAUC-I at the Spring and Fall LAUC Assemblies. I plan to work collegially with the other Executive Board members and to share information widely with the membership for their information and input. Having served before as Member at Large and also having attended several northern and southern LAUC Assemblies in this capacity as well as observer, I have some knowledge of the types of issues that have come up (in good, bad, and middling times) and the need for good communication among all LAUC-I members. In turn, as a Member at Large I must be conscientious and well-informed of issues on the local/chapter and statewide levels.
