

LAUC-I Annual Report 2005-2006
respectfully submitted July 19, 2006 by the
Nominating-Elections Committee

<i>Chair:</i>	Manuel Urrizola
<i>Members:</i>	Pauline Manaka, Linda Murphy

Jan. 11, 2006: Committee sent to each LAUC-I member via email a call for nominations for LAUC-I office or standing committee membership.

Jan. 12-Mar. 9, 2006: Committee members personally solicited nominations.

Mar. 10, 2006: Committee met to update slate of candidates.

April 17, 2006: Chair of Committee presented slate at LAUC-I Executive Board joint meeting with Library Executive Council.

April 24, 2006: Committee presented slate at LAUC-I Membership meeting and solicited final nominations.

May 15, 2006: Each candidate for the Office of Chair, Vice Chair (Chair Elect), Secretary, member-at-large, and the Library Review Committee had submitted a biographical sketch and brief statement of goals to the Chair of the Nominating-Elections Committee.

May 16-17, 2006: Committee met to prepare election packets (ballots, biographies, instructions, envelopes) for mailing.

May 22, 2006: Committee sent an election packet to each eligible voter.

June 7, 2006: Election Day (ballots needed to be returned by this date).

June 8, 2006: Committee met and counted votes. We had sent out 39 packets. We received 33 back. One was not counted because there was no name on the envelope. (Thus we could not insure that it was a valid ballot from someone who had not already voted.) Nobody lost by one vote. So the invalidated ballot would not have made a difference.

June 8, 2006: Chair notifies LAUC-I Chair and Secretary of the results of the election:
