

Dear colleagues,

The LAUC-I Executive Board and Program Committee invite you to attend our next Lunch with LAUC-I on The Anteater Chronicles!

Annie Mar and Jackie Dooley will present an overview of Anteater Chronicles: The UC Irvine Story, the UCI history website developed by the University Archives as part of UCI's Fortieth Anniversary celebrations in 2005. In addition to reviewing the site's content and its value at public service desks, they will discuss the research that went into the site's development, the types of sources in the Archives that were consulted, and some of the technical issues that were confronted.
