

LAUC Grants – December 13, 2007

For our first Lunch with LAUC-I, your Program Committee is teaming up with the Professional Development Committee (PDC) to bring you an informal discussion of LAUC grants. You'll want to attend and learn why you might want to apply for this academic year's grant and also hear some testimonials from previous LAUC grant winners from UCI talk about the process.

Speakers on board:

Pauline Manaka (past LAUC grant recipient)

Lorelei Tanji (past LAUC grant recipient)

Dan Tsang (past LAUC grant recipient)

Brian Williams (as PDC rep)

As if that's not enough, we're also providing food and drinks in keeping with the holiday season.

So please join us for a festive and lively discussion of LAUC grants.

Day: December 13, 2007 (Thurs)

When: 12:00 - 1:30

Where: SL 104

All are welcome to attend the festivities. LAUC members will see this added to their calendar soon. If you plan on attending, please let me know so that we can estimate how much food to purchase.
