Statement of Goals

I have enjoyed being involved with LAUC-I over the past year, and am eager to continue to serve our local librarian constituency in the year to come. As Secretary, my goals would be:

- To accurately record the meetings of the LAUC-I Executive Board
- To accurately record the meetings of the LAUC-I General Membership
- To ensure accurate and timely reporting of the activities of the LAUC-I Executive Board
- To facilitate open lines of communication between the LAUC-I Executive Board, the LAUC-I General Membership and UCI Library Council

Thank you for your careful consideration.
