Since the beginning of the fiscal year FY12 there have been 8 CORCL meetings of which I have attended 7 (the December meeting was cancelled.)

The deliberations of CORCL are confidential so there is no report on that. Lorelei Tanji was introduced as the Interim University Librarian, we alerted them to the Fall Newman Lecture, the Fall Exhibit, Digital signage, the move of LL Ref desk (40% increase in statistics,) Melvyl enhancements, the DMP Tool and DataPapers.

Since both Lorelei and I were at ALA during the January CORCL meeting, Mitchell Brown met with them to discuss the UCOLASC open access initiative. This was discussed throughout the Spring and in May CORCL agreed to send a letter of support to UCOLASC.
