

Notice of Consent for Candidacy

I am writing to give my formal consent to be listed as a candidate for the position of Secretary of the Librarians Association of the University of California. Thank you for considering me.

Dana Peterman – Candidate for LAUC Secretary (2012-13)

Statement of Interest

An organization's success is predicated on its ability to move quickly and judiciously. I feel that the key position of LAUC Secretary carries within it the elements to do so. I am an action-oriented documentarian and I think that my skills, as employed for LAUC in this position, will provide direction at the right critical periods, so that members can respond intelligently. For me the element of timely, well-documented information means that everyone is better informed and better prepared for any future. There are times when we turn on dimes. I can help us to do that.
