

Council on Research Computing and Libraries (CORCL)
LAUC-I Academic Senate Representative
2017-2018 Report

Submitted to General Membership: July 12, 2018

Submitted by: Cynthia Johnson (term end 2019)

Council/Committee Name (acronym): Council on Research Computing and Libraries (CORCL)

Council/Committee Charge:

1. Consider issues pertaining to fostering research.
2. Advise the Chancellor and represent the Division on matters relating to research policy and administration and academic resources, including information technology, telecommunications, and library policies and administration on the Irvine campus.
3. Administer general campus funds for faculty research and review and evaluate University-recognized research programs and units.
4. Advise the Vice Chancellor for Research on campus nominees or applicants for research awards from foundations and other granting agencies which restrict the number of proposals submitted.
5. Represent the Division on the University Committee on Research Policy, the University Committee on Library & Scholarly Communication, and the University Committee on Computing & Communications.
6. A designated library representative shall be responsible for maintaining Council liaison with the University Librarian, and with any library committees that may exist in any of the Faculties

Link to Council/Committee Website: <http://senate.uci.edu/committees/councils/council-on-research-computing-and-libraries-corcl/>

Frequency of Meetings:

Once a month.

Major Activities:

Most of CORCL's activities this year involved reviewing ORUs and recommending if the ORU should be renewed. CORCL endorsed renewing UCI MIND, the Epilepsy Research Center, the Jordan Center for Persian Studies and Culture, the Center in Law, Society, and Culture, the Center for Hearing Research, the Center for the Scientific Study of Ethics and Morality, the Center for Global Peace and Conflict Studies, the Center for Organizational Research, and the Center for Asian Studies. CORCL recommended

discontinuing the Genetic Epidemiology Research Institute as an ORU. CORCL also endorsed the proposal to establish the Center for the Study of Cannabis, establishing the Long US-China Institute as a Campus Center, and establishing the Department of Global and International Studies in the School of Social Sciences.

Issues of Concern to the Libraries:

The following were presented at CORCL: new Library Services Platform and Discovery Service, the HathiTrust Shared Print Monograph Initiative, the Luminos Open Access Monograph Pilot, and the Student Excellence Center.

Recommendations for New Reps/New Year:

None.
